- # In all cases complainants are to be treated with courtesy and the contact is to be conducted and ended in a positive way.

Verbal Complaint:

- # Be courteous and positive to the caller at all times.
- # Assure the caller that their call will be taken seriously.
- # Listen to the caller at all times and without admitting any liability, display empathy with what they are saying.
- # Repeat the substance of their complaint to check your understanding of their position.
- # Explain the course of action that will now follow.
- # Identify yourself as the caller's contact person with regard to this matter.
- # Record information on *Complaint Recording Form / Complaint Recording Database*.

Written Complaints:

- # Record the complaint on *Complaint Recording Form / Complaint Recording Database* noting that it is a written complaint.
- # Write an acknowledgement letter to the complainant, ensuring that the complainant will receive this within the school's identified timeframe.

5. RECORDING AND REGISTERING A COMPLAINT:

It is the responsibility of the person who is the complaint contact person to record the complaint and file it on the *School Complaints Register / School Complaints Database*. The outcome of completed complaints must be recorded.

The *Register / Database* is used to track and analyse complaints.

6. RESOLVING A COMPLAINT:

- # Local complaints should be resolved within 14 school days where practical. This should be seen as the maximum time and should be less wherever possible.
- # Where outside support is required or it is judged that the complaint needs to be handled external to the school (District Office or Central Office) this determination will be made as soon as possible and all relevant material is to be forwarded promptly. *NOTE: The Department's Disputes and Complaints Policy and Procedures details the circumstances under which a complaint is to be managed externally to the school.*
- # Where there are likely to be unavoidable delays, the complainant should be contacted and kept informed of the status of their complaint. This contact may be made by telephone.
- # For verbal complaints lodged by complainants who do not wish to be formally identified and who do not wish to lodge the complaint in writing, resolution can only be attempted directly with the caller. A written record of the nature of the complaint and the attempts for its resolution should still be recorded.
