Mullaloo Beach Primary School’s annual open night will be held on Tuesday, 2nd August 2016.

The classrooms will be open from 6pm until 7pm, giving you the opportunity to have a look at all of the magnificent work your child has been doing. Please feel free to check out all of the other classrooms while you are here and don't forget to visit the Science Laboratory and the Library.

On the same night, Mullaloo Beach Primary School will also be holding its annual Book Fair. The Library will be open from 5.30pm onwards. You will be able to purchase from an enormous range of books, posters and stationary items. The children will be given the opportunity, in the days prior, to make a wish list! All commission from the sales will go towards the purchase of new books for the library. As always, your support is greatly appreciated. Purchases can be made by cash, cheque, credit card or eftpos. If you are unable to make it on the night, the library will also be open Monday 1st August and Tuesday 2nd August from 8am until 9am.

We look forward to seeing you.

Accessing your School, Sports Club or Community Smartlink App

Dear Parents and Guardians

Please follow the instructions below to ensure you have the new version.

Step 1: Have your members, parents and/or app community **DELETE** the previous standalone version of the app. The old standalone app content will be in conflict with the new app.

Step 2: Download the app.

- For Apple / iOS devices / iPhones / iPads simply click on the following link ...

- For Android devices, phones and tablets simply click on the following link ...

Step 3: For Apple or iOS devices you’ll be asked if you would like to Allow Push Notifications or Not ... click “Allow” or “OK”. (see Screen Shot).
Step 4: You'll then be greeted with a Search page. Simply start typing the name of your School, Sports Club or Community Group. For this example I'm using Mullaloo Beach Primary School.

- Once the name of your School, Sports Club or Community Group appears click on it and the app will automatically open.

Start typing the name of your School, Sports Club or Community Group in on the search area.

When the name appears simply click on it and the app will open... example Mullaloo Beach Primary School.
Step 5: The rest of the app is as you know it. Go to the “Settings Page” (bottom right of the app) and subscribe to the year group, age group applicable to you or your child/ren. Again we’ve used Mullaloo Beach Primary School as an example.

That’s it... your app is now saved in the new Smartlink app.

If you have more than one Smartlink App (ie; a school + a sports club) simply click on the 3 Hamburger lines in the top left of the app. Hit the ‘+’ symbol. This will take you to the search page again. Simply enter your additional school or club name. The additional app will also be saved.

Should you have any queries about this transition feel free to email admin@thesmartlink.com.au

Regards

Mrs Leigh Slabosz
